

SCHUNCK GROUP strengthens its international presence by acquiring shares in unisonSteadfast

SCHUNCK GROUP (www.schunck.de), one of the Top 10 commercial and industrial insurance brokers in Germany, invests in its international presence and acquires shares in unisonSteadfast AG.

Albert K. O. Schunck, Managing Partner at SCHUNCK GROUP: „We would like to better support our clients in their international activities. unisonSteadfast, as a successful medium-sized broker network, represented in all major regions in the world, is the ideal platform for us to accomplish this mission. We have already been a member of unisonSteadfast for many years and decided to intensify this co-operation and partnership by acquiring shares in the network. As a shareholder, we will play an active role in the decision-making.“

International presence with own subsidiaries and as a part of the network

Peter Kollatz, Managing Director and Director of Specialist Divisions and Legal Department, points out the advantages of the network as follows: “In this way, we are able to face the global challenges of our clients in an optimal way. unisonSteadfast enables us the smooth continuation of our operations in nearly every country in the world. Being a member, we have been fully satisfied with the quality and performance of the network. Therefore, the acquisition of shares was a logical corollary.“

Within the scope of the network activities, SCHUNCK GROUP plans to promote its great expertise in transport and logistics as well as its know-how in transport liability. “We are the leading insurance broker for the freight forwarding and logistics industries in Germany – as a shareholder, we would like to provide our assistance in this field to the unison network”, Mr. Kollatz complements his statement.

“We will offer unison members our specialist expertise and our services to ensure that also the operations of their clients in Germany are “*more than insured*”, explains Alexander Kraus, Director International Business at SCHUNCK. “On the other hand, our clients operate globally and need adequate international insurance coverage. This is what we can offer them at all levels via the network and our partners worldwide”, he adds.

Besides the strong involvement in unisonSteadfast, SCHUNCK GROUP also has its own subsidiaries in Austria and Spain.

SCHUNCK as a shareholder of unisonSteadfast

Wolfgang Mercier, President & CEO of unisonSteadfast, welcomes the commitment of SCHUNCK GROUP: “We are very proud that SCHUNCK GROUP as a long-standing member expands its involvement by acquiring shares in unisonSteadfast. This underlines the stability and the high quality of our network. SCHUNCK is a strong and reliable partner with great expertise, who will enrich the entire network with his substantial know-how in transport and logistics.“
