

GLOBAL ALLIANCES

unisonSteadfast has entered into a formal alliance with The Harmonie Group and its sister group, the Canadian Litigation Counsel. Here is a bit about this interesting global network of independent insurance law firms. To view more, visit: www.harmonie.org.

About The Harmonie Group:

The Harmonie Group was founded in 1992 at the Harmonie Club in New York City, when several experienced and well-respected members of the defense bar met to discuss forming a national network of high quality law firms that had the proven ability to serve the special needs of the risk industry. The Group believed then, as it does now, that both clients and attorneys benefit from a better understanding of the unique circumstances and concerns facing each of them. The members at the initial meeting wanted to create an organization where quality members would be encouraged to introduce their quality clients to other members, to promote an exchange of ideas between clients and lawyers, and to have frank discussions concerning the lawyer/client relationship.

Potential Harmonie Group members were identified from contacts in the following areas: the risk industry, the International Association of Defense Counsel, the Federation of Defense and Corporate Counsel, the Defense Research Institute, the American Bar Association Sections, and from law firms having high industry ratings. The founding members, and later the organization as a whole, carefully identified

quality firms in jurisdictions across the country, from which the best of the best, were chosen to join.

Since inception, Harmonie has expanded into an international network of defense firms with 58 firms in the US. Our sister group the Canadian Litigation Counsel has 8 firms in Canada. In total, around the world, we have over 100 defense firms with more than 5000 lawyers to serve your legal needs.

The Harmonie Group provides INTERNATIONAL ACCESS TO EXCELLENCE. The defense firms in our network handle complex and difficult high stakes litigation for corporations, third party administrators and insurance companies. The process of looking for counsel can be time consuming, uncertain, and difficult. Harmonie is a by invitation only network where the firms are subjected to a rigorous review process to meet our standards, ethics and values before they are invited to join. The Harmonie Group is pleased to provide on line access to our LAW FIRM DIRECTORY and the 24-Hour Emergency Response Directory on our web site at www.harmonie.org.

unisonSteadfast notes that while accepting that our alliance is non-exclusive, we highly recommend that if you have need for legal services around the world, this would be a good choice to investigate to see if the local Harmonie Group member is able to assist. As with all business decisions and choices, your full due diligence is required to see if this is a good fit for your needs.
