Insurance brokers worldwide

Natalia Zaborovska (Eastern Europe)

Natalia Zaborovska, MAI-CEE Group Network Director and a member of MAI CEE Group Management board.

Natalia graduated in 1994 from Riga Technical University, where she studied International Economic Relations. Her graduate thesis was "The Potential Directions of Development of the Latvian Insurance Market".

Upon graduation she joined the Latvian insurance company where she worked for three years. She started as an underwriter assistant and moved on to the insurance product development department dealing with Domestic Health Insurance.

Later, after receiving training in the UK under the British Government sponsorship, she worked on the development and enhancement of motor insurance products. Natalia was recruited by MAI in 2000 to assist the planned regional expansion of MAI group further into CEE region as well as manage and expand international relations with insurance brokers from all over the world.
