

unisonSteadfast – local expertise, global reach!

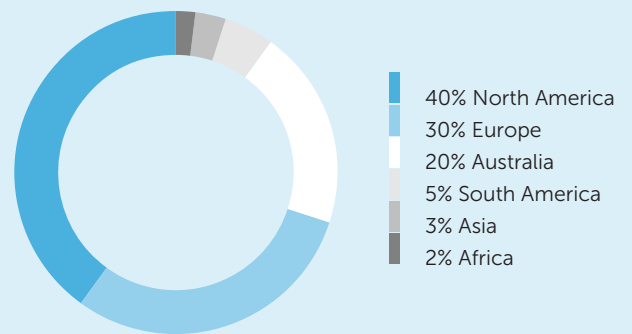

Network Coordination:

unisonSteadfast is an owner-operated international insurance broker network founded in 2005 on the basis of the values and services of the former UNISON network coordinated by Johnson & Higgins, USA. With more than 1,000 partner brokers and associates in more than 140 countries and all significant regions worldwide, it is the largest network of independent insurance brokers by numbers.

Our mission is to support our members in providing their top-quality service across all borders, in a seamless and fully compliant way, creating an unrivalled environment for them to grow their business.
